WHY CHOOSE FISHEYE?

Expertise: Over 5 years of experience in the fisheries and marine sector

Sustainability: Committed to eco-friendly practices and innovative solutions.

Quality Assurance: All products and services meet industry standards, ensuring reliability and compliance.

Comprehensive Solutions: From boat hiring to equipment supply, we cover all your fishing and maritime needs.

OUR SPECIALIZATIONS

MANUFACTURING EXPERTISE

We specialize in the design and manufacture of cutting-edge products that meet the highest standards:

Turtle Excluder Devices (TEDs): Designed with precision to ensure compliance with ICAR-CIFT and NOAA standards, promoting marine conservation.

Fishing Nets: We specialize in crafting customized fishing nets tailored to meet the specific needs of our clients. Our services also include repairing and maintaining fishing nets to enhance their durability and reliability.
